
Digitale Bibliothek - Main Series (162 Cd)(ISO)www.digitale-bibl [VERIFIED]

Economics of the impact of digital technologies on trade. Digitalization has led to a reduction in digital trade goods (for example, CDs, books and newspapers). Printing remains the main consumer of printed materials, and the market will remain attractive, as it was at the beginning of the 20th century, because a significant part of the business press is printed and distributed free of charge. * On November 26 and 27, the V Interregional Forum "Digital Region - Effective Management" will be held, dedicated to the issues of digitalization of the economy. The quality of bibliographic information through the ELAR digital platform The quality of the bibliographic description on the record map is gradually declining. The creation of electronic catalogs made it possible to solve problems with digital addition and improvement of bibliographic classification, with the identification of new areas of application and the creation of metadata for publishers, but the implementation of new methodologies seems problematic and largely depends on the economic situation. New requirements for e-books, introduced from September 1, 2015 by the Ministry of Justice of the Russian Federation, Content Analysis of Texts, Documentaries and Online Media -analysis. The greatest difficulty is the analysis of documents containing a lot of graphics and little text, as well as texts marked "document" and "public source". Summary. Resource units for analyzing research results. The ability to determine the effectiveness of research in specific circumstances. The process of collecting data for scientific and marketing research, data analysis, statistics and other tasks in building mathematical models in the applied field of analysis, identification, decision making and forecasting.
